We further honour the following achievements, which are described in the sections below:

Special Partner Awards	Partner program awards worth over 1,400 USD (top participants matching the eligibility criteria)
National Awards	Special National Award Certificate
All Finalists	Participation Certificate with Bronze, Silver or Gold Honour
All Participants	Official Participation Certificate

What are the Special Partner Awards?

In addition to the cash prizes, there are special partner program awards worth over 1,400 USD. These include full tuition fee coverage for selected educational masterclass programs and an academic college preparation service, fully covered by our partners. The partner program awards are distributed to top participants who match the eligibility criteria of the respective program.

Who will receive National Awards?

Reflecting IMedC's global nature, we celebrate the top three participants from each country who achieve at least 50% of the total points in the Final Round. These students receive a National Award certificate, and a list of top national performers will be published on our website.

1.1 Awards for Representatives

Each year, we recognize the dedication and impact of our most active representatives with special awards. Based on the number of students encouraged, documented activities and community engagement, the following awards are presented:

Representative Award for Most Overall Participants 1 AWARD	Awarded to the representative who encouraged the highest number of students to join IMedC.
Representative Award for Most Finalists 1 AWARD	Awarded to the representative whose guidance helped the most students reach the Final Round.
Representative Award for Excellent Encouragement MULTIPLE AWARDS	Presented to representatives demonstrating exceptional activity in their local communities, organizing impactful events that inspire students to explore medicine, or providing significant support to IMedC participants.

1.2 Awards for Teachers

Teacher Awards 3 AWARDS	For the most involved and contributing teachers.

1.3 Awards for Schools

Recognizing the vital role of educators and institutions in fostering talent in medicine, IMedC presents three types of school awards (not associated with cash prizes) to commend their efforts:

School Award for Most Participants 1 AWARD	Awarded to the school with the highest number of registered participants in the Qualification Round.
School Award for Most Finalists 1 AWARD	Awarded to the school with the most participants qualifying for the Final Round.
School Awards for Excellence MULTIPLE AWARDS	Presented to schools demonstrating strong overall student performance, fostering a supportive environment for participants, or showing exceptional commitment to medical education through IMedC.

How do schools participate to win these awards?

Schools automatically participate when students register using the school's name. Please ensure all students enter the school name accurately and consistently. We also encourage teachers from participating schools to create a teacher account.

1.4 Further Achievements

Taking part in an international competition like IMedC contributes to personal growth and is a valuable addition to your academic profile, especially if you are thinking about studying medicine. Participating offers a unique chance to sharpen your reasoning, work with real medical research, and connect with peers who share your interest in medicine.

Global Network: Successful participants and winners join the international IMedC network: a community of motivated students from across the globe. This network provides opportunities for collaboration, inspiration and lasting connections. Access details are shared with qualifying participants.

Opportunities (e.g., Internships, Scholarships): Our team curates and shares information about relevant international and regional opportunities, including internships, scholarships, summer schools, research programs and other competitions. This information is distributed directly to qualified participants and through the alumni platform.

Regional Meetups & Events: The IMedC team and local representatives sometimes organize meetups, workshops or study sessions in various regions. All participants are welcome to join these events to connect with fellow students and learn together.

Do I receive a hard copy of the certificate(s)?

Hard copies of certificates will be mailed to all 1st, 2nd and 3rd Prize winners. All other participants, including finalists receiving Honours, will receive high-quality digital certificates (PDF) with permanent verification IDs, which anyone can check at: https://imedc.org/verify
